BOX COLLECTIONS OF DAHLIAS

For several years past I have put up for dealers sets of thirteen assorted varieties, unlabeled, embracing a wide range of colors—red, white, pink, yellow, variegated, etc.—no two alike. These collections are put up in a neat telescope box and are so packed as to keep without loss through the sale season. They are very handy for store trade. A great advantage is that every sale is over a dollar sale, where the customer otherwise would probably be satisfied with the purchase of a few tubers only. There is also a great saving of time in the transaction. This is not inferior stock, only I use stock that I am full handed on. These boxes retail at \$1.50 and cost the dealer \$1.00. In lots of 25 or more they will be furnished at 90c each.

MIXED DAHLIAS

"Lost Label" and surplus stocks suitable for counter trade can be furnished at \$6.00 per 100. Not less than 50 of these put up on an order.

DOUBLE GYPSOPHILA

Every Florist, Nurseryman and Dealer knows the superior quality of this popular form of the Gypsophila. It dries readily and may then be kept almost indefinitely for winter use. A few years ago I procured seed far superior to anything yet tried, in that it produced double forms in some tests ranging as high as 75% double.

I have a fine stock of these roots on which I can guarantee a double percentage of 50%. Should be set so the single forms may be cut out when they bloom, leaving only the double. Singles bloom two weeks in advance of the double.

Strong two-year-old roots, \$2.00 per doz.; \$12.00 per 100.
